

NOW HIRING

Manipal Academy of Higher Education (MAHE), Manipal, an Institution of Eminence invites applications from eligible candidates for the faculty position as **Head of the Department of Health Innovation** at the Prasanna School of Public Health (PSPH), MAHE, Manipal:

PSPH mission is to focus on enabling better decision making on health policy matters through our research and in training next generation of public health leaders through our academic endeavors. We are a part of the prestigious Manipal Group which contributes significantly towards Education, Health Care and other core areas of nation building through our various enterprises.

Head of the Department of Health Innovation

Job Description

The Head of Department will be self-driven with a high capacity to envision, strategize and drive departmental effectiveness. He or she should have a Master degree and a PhD in Public Health or equivalent and with a minimum of four years of experience in Public Health sector.

The prospective candidate should be capable in partnering with other departmental heads at the Institution (regional/national/global) in leading the development of a new school in India and abroad. Supervising PhD students and acquisition of value driven Research Grants will be an integral part of the job. The candidate is expected to contribute to the academic and research development of curricula at PSPH. There will be some travel involved at PSPH since this is an internationally oriented institution.

The position reports to the Director of Prasanna School of Public Health

This position is contractual for an initial period of two years and is further renewal based on performance. Candidates from India and abroad can apply.

Eligible candidates may apply with a detailed CV including copies of certificates in support of qualification/experience/ a list of publications and research activities on or before October 18, 2019 to:
