

Advt No.16/2019 : JRF position for conducting animal work under the dengue vaccine development program

The National Centre for Biological Sciences (NCBS) - Tata Institute of Fundamental Research (TIFR) is a premier research centre carrying out frontier research in the biological sciences located in Bangalore, looking for appointment of a **Junior Research Fellow** on contract basis.

Job description:

We are seeking a JRF candidate for a period of one year to work with the animal facility on strengthening ongoing animal model experiments and capacity as a part of our research team. In particular, we are aiming to design and execute protocols using mice models to test vaccine/therapeutic efficacy as part of the dengue vaccine program. The candidate will be associated with the animal facility with the expectation to design and undertake experiments with several groups in a highly collaborative manner. The candidate should have a master's degree in veterinary medicine/sciences or equivalent. Candidates with prior animal handling experience will be given preference but it is not mandatory.

Essential Qualification and Experience:

1. Master Degree in veterinary medicine/sciences or equivalent degree in related areas (Biological Science/Life Science/Pharmaceutical Science)
2. Candidates with prior animal handling experience will be given preference but it is not mandatory

Duration : One year

No. of position: One

HOW TO APPLY :

Step 1: Interested candidates should register **ONLINE** through the link on our website (<https://www.ncbs.res.in/jobportal/>) using valid email ID.

Step 2: You will receive a user ID and password on your registered email ID.

Step 3: Using your ID and password you can fill in the application by clicking on "Submit Application"

Step 4: Once you fill in the application you can SAVE or PREVIEW the application. Please Note: Any corrections should be made before you SAVE the application.

Step 5: After you SAVE, you can submit the application by clicking "SUBMIT" (As per the automatically generated acknowledgement email, **Kindly DO NOT send the Hard copies of the application and other testimonials**)
