CIRCULAR

Sub: Selection Guidelines for Nurse Mid-Level Healthcare Providers (MLHPs) to Health and Wellness Centers at Sub Centre to provide Comprehensive Primary Health Care services for community

Ref: 1. Approved District RoP 2019-20 and GO no HFW51CGM 2019 Dated 17-05-2019.
2. Approved NHM, GOI supplementary ROP and further disseminated District supplementary RoP 2019-20.

Preamble:

1. The goal of Universal Health Coverage (UHC) is to ensure that all people obtain the health services they need: preventive, promotive, curative, rehabilitative and palliative without the risk of financial hardship. Department of Health and Family Welfare (DOHFW) Government of Karnataka(GOK) is committed to the vision of accomplishing UHC, also outlined in National Health Mission framework as- “Enabling Universal Healthcare Access to Equitable, Affordable and Quality health care services, accountable and responsive to people’s needs. The path charted out by the Twelfth Five Year Plan for achieving UHC emphasizes provision of affordable, quality health care by the public health system as the main form of social protection.
2. Provision of Comprehensive Primary Healthcare is a pivotal part of UHC and there is a need to evolve innovative strategies for strengthening the Primary Healthcare. However, a major challenge today for DOHFW, GOK is to reach the whole population with adequate health care services, ensure its utilization and minimize the out of pocket expenditures by families.
3. Thus, based on the proposal of Ministry of Health and Family Welfare, Government of India, state has initiated a pilot project of Comprehensive Primary Health Care (shared vide-D.O. Z-15015/ 11 / 2015-NRHM-I Dated the 11th February 2015)in T. Narasipur taluk, Mysore and Lingasagur taluk of Raichur under NHM. GOK has envisaged that well prepared nursing personnel placed at Health Sub Centers will prove beneficial in taking Primary health care to underserved, marginalized, rural and remote population in Karnataka under UHC. Experience from other developing countries reveals that the “caring component of the nursing profession has been an asset for nurses to function more effectively as primary health care providers”.
4. In this context, in addition to on- going activities in T Narsipura of Mysore and Lingasagur of Raichur as pilot phase, approvals have been accorded to scale up Health and Wellness Centres-CPHC across 11 Taluks in phase 1 (Basavakalyan, Bidar, Chincholi, Sedam, Kushtagi, Yelburga, Shahpur, Yadgir, Hadagali, Hospete and

Devadurga) of 6 Hyderabad Karnataka Region districts (Bellary, Bidar, Koppal, Yadgir, Raichur and Kalburgi). While for the phase 2 following are approved for establishing 368 Health & Wellness Centers in 4 talukas of HK districts, namely, Raichur, Manvi, Sindhoo, Shorapor, and in seven talukas- Kadur, Tarikere, Narasimharajapura, Chikkamagaluru, Mudigere, Koppa, Sringeri of Chikmangaluru district. Additionally, 137 HWCs got approval in supplementary PIP (FY 2018-19) from 4 blocks of Vijayapur and Bagalkote (B Bagewadi, Indi, Hunagund, Badami).

5. **In Phase 3 (2nd Notification of Hyderabad Karnataka) NHM through District Health societies has selected 610 MLHPs out of 903 posts for initiating HWCs at Bagalkote, Bidar, Bellary, Kalburgi, Koppal, and Vijayapura districts.**
6. **At present NHM through District Health Society is selecting the MLHPs for the remaining posts (Vacant posts) of HWCs in 8 districts namely Bellary (Excluding Hospete (Vijaynagara) Taluk), Bidar, Bagalkote, Koppal, Kalburgi, Yadgir, Raichur and Mysore along with Mysore (T. Narasipura taluk only) and Kolar district (2019-20 supplementary ROP Approval) for total 552 posts**
7. Functioning of HWC will be led by a Nurse Mid-level Provider (MLHPs) and in addition the HWC team will comprise of Junior Health Assistant Female, Junior Health Assistant male (MPW) and a group of five ASHAs attached to the sub-centre. This team will function together and will be responsible for enabling outreach, outpatient primary level care to the population covered under each sub-center area. Placement of Nurse Mid-Level Provider at the health sub-center level will improve accessibility of primary care services, broaden the package of primary care services being delivered, increase the utilization of public health facilities and reduce out of pocket expenditures on routine ambulatory care amongst the households served by the Health-Sub Centre.
8. MLHPs will get an salary of Rs. 24200/- per month for High priority districts (Bidar, Kalburgi, Raichur, Yadgir, Koppal, Bellary & Bagalkote) and Rs. 22000/- per month for Non-High priority districts (Kolar & Mysore) after successful completion of IGNOU BPCCHN training programme.
9. Additional amount of Rs. 8000/- per month will be paid as performance based incentive against achievement of set of service delivery indicators to all MLHPs.
