

## RESEARCH ASSOCIATE

Applications are invited for the position of **Research Associate** of a European Commission funded Erasmus+ grant project titled “Risk Management and Prevention of Antibiotics Resistance – PREVENT IT” at Prasanna School of Public Health, MAHE, Manipal.

### **Qualification:**

**Essential:** Master degree in Public Health, Allied Health Sciences, Microbiology, Life Sciences or any other discipline associated with Antibiotic Resistance (ABR)

**Desirable:** Research experience in antibiotic resistance in human, animal or laboratory setting.

Candidates who have the ability to work independently and as part of a team, prior experience in Project Management, Research and Publications will be preferred.

**Duration:** Jan 2020 to Dec 2021: 24 months

**Remuneration:** Consolidated Pay of Rs. 40,000/- per month for first 12 months; Rs. 51,428/- per month for second year.

Looking for a young and dynamic professional interested to contribute in the area of antibiotics/antibiotics resistance through production and use of interdisciplinary, quality teaching materials. Candidates may send the detailed CV with copies of relevant certificates in support of the qualification & experience to the following address by November 20, 2019. No TA/DA will be paid for attending the interview.

**Deputy Director – HR**

**Madhava Nagar, Manipal – 576104, Karnataka**
