

Project Associate Vacancy
Heritage Science and Society Programme
National Institute of Advanced Studies, Bangalore

National Institute of Advanced Studies (NIAS) was conceived and founded in 1988 by the late Mr. J. R. D. Tata, who sought to create an institution to conduct advanced multidisciplinary research. Housed in a picturesque green campus in Bangalore the Institute serves as a forum to bring together individuals from diverse intellectual backgrounds, in the natural and life sciences, humanities, social sciences, and conflict and security studies. The philosophy underlying NIAS is given shape by its multidisciplinary research teams. The Institute is unique in its integrated approach to the study of intersections between science and technology, philosophy, social issues and leadership. The objective is to nurture a broad base of scholars, managers and leaders who would respond to the complex challenges that face contemporary India and global society, with insight, sensitivity, confidence and dedication. For more details: www.nias.res.in

Heritage, Science and Society Programme at NIAS is inviting application from eligible candidates for a position of Project Associate.

The Project Associate would be expected to work on a project related to archaeology of metals heritage and especially iron and steel production and also related to south Indian archaeology and archaeometallurgy with respect to ferrous metal production. Interest in related laboratory investigations or experimental archaeology work would be useful, or interest and background in archaeology.

Qualifications and experience:

The candidate should hold Masters degree, preferably in Archaeology, History or Science stream eg metallurgy. Experience is preferred in field archaeology or archaeological sciences and materials research applied to archaeology, archaeometallurgy or strong interest in above.

Mode of Application:

Interested applicants should submit their curriculum vitae electronically along with the following documents:-

1. Covering letter
2. Statement of Purpose
3. Copy of degree certificate

The deadline for receiving applications is 20th March 2021. Short-listed candidates will be invited to NIAS for an interview.

Salary will be commensurate with qualifications and experience and comparable to other premier institutions in the country.

The applications should be addressed to:

Prof Sharada Srinivasan
National Institute of Advanced Studies
Indian Institute of Science Campus
Bangalore-560, 012, India
